

Lounge Furniture Case Study

BRIEF:

Our white furniture is great for chill-out areas, reception areas and separate chill out rooms. Our contemporary range is custom made from hardwearing material used in top nightclubs. In this range, we offer low-level sofas, banquettes and cubes.

WHAT WE OFFER:

- Designer leather furniture including a range of cubes, benches and coffee tables that match our sofas.
- Covers for cube stools in many ranges from animal print, faux fur and leather.
- Bean bags made from high quality durable leather.
- Chaise Longue available in 2 different colours.
- Specialist furniture such as a pair of thrones, classic chesterfield sofa, a sofa in the shape of a love heart.
