

Table Selfie Case Study

BRIEF:

Our Table Selfie Pods are perfect for any sit down occasion combining your original table centre pieces with a spinning micro camera or used with an event prop like at one of our corporate Xmas parties recently, a perfect original alternative to a photo-booth!

WHAT WE OFFER:

- Available in a choice of colours, the Table Selfie can be personalised to suit any event.
- No matter what your event theme, we can coordinate a suitable prop to ensure the perfect Selfie station.
- Using your mobile phone and the Table Selfie Wi-Fi connection, the user can take a photo, preview the photo, save, share or print!
- A print station can be provided for instant printing of your guests selfies!
- Customise your Table Selfie for every occasion with our Table Selfie PVC Skin Sashes
