

Rock Of Ages Party Case Study

BRIEF:

To create an event space with a centre piece bar. The event was designed to suit all ages and house 180 guests.

WHAT WE DID:

- Built our award winning cruciform marquee with clear roof sections and a clear marquee front
- Designed an oval bar with a centre stage structure that held a real Soft Tail Harley Davidson motorcycle
- Built an event stage complete with full PA for a themed live band
- Provided customised event lighting with gobo projectors
- Provided custom themed table centres
- Supplied full event catering and cocktail bar complete with flaring barmen
- Installed a suspended level floor system over uneven ground
