

Willy Wonka Birthday Case Study

BRIEF:

Create a magical world inside a marquee with actors and in-depth theming including props, visuals and themed music

WHAT WE DID:

- Built an hexagonal ended marquee that was divided into 3 areas
- Built a canal that split the marquee in half and installed a custom dry ice effect with lighting to fill the canal
- Provided a large sweet and chocolate area complete with edible trees
- Supplied Oompa Loompah actors as well as custom themes costumes for every member of staff
- Provided full catering and a themed cocktail bar
- Provided a video DJ that mixed songs live on large video screens
