

# HALLOWEEN THEME

## Case Study

### BRIEF:

To transform an existing marquee without modifying the structure or linings for a halloween themed party.

### WHAT WE DID:

- Installed a lighting rig in the ceiling and extra lighting effects in and around the structure of the set.
- Installed 4 sets of black furniture, 4 LED poseur tables and chairs.
- Provided a photography disco package and video add-on.
- Provided fun catering including a red dyed chocolate fountain.
- Installed various props including a giant ribcage boned entranceway, grim reaper with scythe, toe pincher coffin, giant pumpkins and handcarved pumpkins, giant halloween cauldrons, giant headstones and cob web material.
