

Mazda Christmas Party Case Study

BRIEF:

Our corporate client Mazda UK approached us to produce their xmas party. The theme was winter wonderland.

WHAT WE DID:

- With Mazda UK HQ we draped the event space and used blue uplighters to create atmospheric lighting.
- Props were installed to include a selfie sleigh, Mazda prop lights, and xmas trees.
- Our brand new Table Selfie sticks were used to create a Selfie Sleigh
- We used lounge furniture and accessories to create chill out areas.
- We sourced entertainment with stilt walkers and facepainting.
- We provided a disco package and bar staff.

OUR CLIENT SAID:

"A massive thank you to you and your team for putting on such an amazing Christmas Party here at Mazda. On the night and the day after everyone was talking about it and I definitely think we got the wow factor, so thank you. I also think we have set the bar high!"
