

# Lucy's Midsummer's 21st Themed Event Case Study

## A SNIPPET OF OUR SERVICES:

- Providing a stunning 12m wide marquee structure, with beautiful vintage furniture and table dressing in-keeping with the event theme.
- Completely in-house, our print production department provided custom illuminated table centrepieces, table plans and place cards, themed appropriately for the event.
- Our Portable Floor Maker Barlok Revolution half-round bar which served spirits, wine, beer on tap and a selection of other beverages throughout the night.
- Our in-house caterer provided canapés during the drinks reception, as well as a 3 course sit down meal perfectly matched to the 21 year old guests.
- For a production of this scale we provided an event manager, lighting technician, sound technician, photographer, waiting and bar staff.
- We provided a comprehensive power generation plan including one of our state of the art super silent Stephil event specification generators.
- We completed the marquee with a large stage equipped with an extremely capable lighting & sound rig along with full production support for the band, The Capricorns, which kept the guests on the dancefloor all evening.

## WHAT OUR CLIENT HAD TO SAY:

Dear Party Doctors, I just wanted to say an absolutely massive thank you for how amazing and special you made my 21st! It was honestly so much more amazing than I could have hoped for and I had the most wonderful time. Thank you so much for all the time and effort you all put into creating the most special evening for me and my family, and of course all of our friends.
