

Apres Ski Birthday Case Study

BRIEF:

To provide a themed marquee with a see-through dance floor partially built over a swimming pool.

WHAT WE DID:

- Built a large event space with 4 different areas, each with a set purpose for the event
- Provide tailored theming for each area including small custom details such as hot chocolate mugs, signage & menus
- Build a safe see-through floor over the client's swimming pool that included custom lighting and a water feature
- Supplied fully themed event catering including fondue and s'mores
- Constructed a custom one-off photo booth sleigh
- Design a chillout area complete with visually working fireplace
