

# Corporate Celebration Case Study

## BRIEF:

To create a fun filled day for an engineering company's summer party and target hitting celebration

## WHAT WE DID:

- Built a marquee to replicate the clean white colours of the company that was also themed around an elegant soft white and cream palette
- Provided full BBQ and canape catering throughout the afternoon and evening
- Supplied a full bar setup complete with cocktails and draught beer
- Designed artwork and provided custom printing
- Provided evening entertainment including themed hosts and DJ
- Provided fun fair stalls and inflatable games
