

VIP Nightclub Birthday Case Study

BRIEF:

To create a VIP nightclub themed party across three event spaces.

WHAT WE DID:

- Installed a marquee with three separate event spaces to host a cocktail bar area, nightclub area and a VIP area.
- Provided fully stocked LED cocktail bars that were custom printed for this event.
- Provided stage production which included a large custom built LED screen, pyrotechnics, professional stage lighting and a very powerful arena sound system.
- Provided chill-out lounge furniture.
- Provided various atmospheric lighting, a black LED dance floor and a DJ.
