# Rustic Woodland Fairytale with Party Doctors

## Wedding Package

Suitable for up to 100 guests, this package is specially designed for those looking for a more modern wedding, perfectly combining rustic touches with one of our beautiful all clear marquees fully complementing any gorgeous woodland venue. To receive a detailed proposal including a fully itemised quotation and 3D Event Designs please contact our team.

### A note from one of our experienced Event Designers:

*'Every few years there is a new trend for weddings and as we move away from tradition a new style is taking its place. The current latest trend is bright clear structures with vintage details. Our team are highly experienced in this style so will be able to help your vision become reality!'*

## Services

What is included?

- A stunning completely 12m x 18m clear marquee with a hexagonal end addition, solid hardwood flooring system and a durable cream cord carpet.
